

Ashish Vishwakarma

Ph. No: +91 8866077896 | E-mail: ashishvish0105@gmail.com | Navsari, Gujarat, India

PROFILE

I am a Full Stack Developer with over 5 years of experience specializing in **.NET**, **Angular**, and **Web design**. I have a proven track record of building scalable web applications from scratch and optimizing application performance. My diverse project experience includes **multi-vendor platforms**, **e-commerce applications**, **B2C products**, and **B2B products**. By integrating **AI tools** into my workflow, I significantly boost productivity and elevate code quality. My core focus is on creating user-friendly, responsive applications while consistently delivering high-quality work on time
